Dear Students,

I am indeed very happy to welcome you to this prestigious institution, D. Y. Patil Vidyapeeth, Pune. I know that you all have chosen this institution of learning with lot of aspirations and hopes. I am sure that by acquiring the knowledge and skills, and with a positive attitude and values, you will certainly make your dreams come true.

Education is a lifelong process and just reading books, and gathering knowledge alone is not true education. It

is more important to assimilate and put into practice at least a fraction of what one has learnt. Dr. D. Y. Patil Vidyapeeth, Pune believes in this philosophy and has taken steps forward in that direction to provide quality education for the holistic development of the student.

Vidyapeeth offers a wide range of professional programmes for the development of youth in the area of education. To provide quality education, Dr. D. Y. Patil Vidyapeeth, Pune has been established. Presently, it comprises of nine constituent units.

Dr. D. Y. Patil Medical College, Hospital & Research Centre

Dr. D. Y. Patil Dental College & Hospital

Dr. D. Y. Patil Biotechnology & Bioinformatics Institute

Dr. D. Y. Patil Institute of Optometry & Visual Sciences

Dr. D. Y. Patil College Physiotherapy

Dr. D. Y. Patil College of Nursing

Dr. D. Y. Patil Global Business School and Research Centre

Dr. D. Y. Patil College of Ayurveda and Research Centre

Dr. D. Y. Patil Homeopathic Medical College and Research Centre

Further, Dr. D. Y. Patil Vidyapeeth has opened a Centre for Online Learning providing online programmes. The Vidyapeeth provides unique learning opportunities to the students by combining pedagogically sound and comprehensive professional courses for a variety of subjects. It also incorporates innovative teaching and learning methodologies supported by state-of-the-art library and focuses on the all-round development of the student. The curriculum provides market-driven programmes and studies, developed, tested and continually improved by the competent faculty based on the feedback from stakeholders. I am sure that as a student you will learn, grow and cherish your journey here.

Best Wishes!

Dear Students,

Michelle Obama said, "The ability to read, write and analyze; the confidence to stand up and demand justice and equality; the qualifications and connections to get your foot in that door and take your seat at that table; all starts with education".

Education can dispel the darkness of ignorance. A useful, proper and true education can make a stagnant society dynamic, both socially and economically. That was the main idea of establishing DPU-COL to make our society dynamic by providing quality education to students through the applicable and scientific method.

The teaching and learning process is the heart of DPU-COL. Our institute offers a brilliant portfolio of educational programmes that are recognized by UGC & AICTE. We believe in learning by doing and in empowering our students so that they are prepared to accept the diverse challenges of the future. We use case studies, experiential learning, role-plays and simulation to enrich the online learning experience of our students. Students can experience experiential education combined with creativity, innovation, entrepreneurship and management that assist them to become competent experts in their subject field and value-based leaders. We also encourage our students to organize and participate in conferences and various student-driven activities organized by us.

Our faculty members are excellent in teaching and research, and bring innovation and diversity to the classroom which helps us deliver memorable learning experiences to students. Students also get a chance to interact with industry specialists and alumni who help broaden their understanding of various business concepts through their own experiences. DPU-COL offers exciting educational programmes to shape students' future. It offers an open road, an unturned page, a map to another world to change their life for the better.

A new beginning!

As Robert Frost said, "Two roads diverged in a wood, and I took the one less travelled by. And that has made all the difference".

DPU COL

Dear Students,

Transformation has been a constant thing in management education. Global edges are vanishing, merging people of diverse cultures, nationalities and age groups. Education is emerging as the most powerful platform in the "edgeless" world.

Dr. D.Y. Patil Vidyapeeth Centre for Online Learning opens new dimensions of opportunities for students to pursue higher education without the constraints of location and time. We accomplish this through the optimal and seamless integration of the latest technology into our enrollment and admissions processes, delivery of learning, administration of assessment tasks, reporting of evaluation results, and facilitation of two-way communication among students, faculty, and members of the administrative staff.

As we all know, change is constant and very much a part of our lives. Well, not only in life but also in the fast-changing global environment. It has been observed in corporate and industrial practices. Today, the progressing advancements in science and technology, globalization of economics, a flurry of new products and services in the industry and major growth all over the world are ushering in a change in various industries like Telecommunication, Banking and Finance, Insurance, Automobile, Aviation, Media and Entertainment, Retail, Pharmaceutical etc. This evolution and expansion has led to increasing demand for management professionals who can deliver efficiently, irrespective of the change.

Programmes are designed to develop future-focused capabilities sought out by employers across the globe. Here's your chance to be mentored by leading academicians and industry experts and you can study at your own time, at your own pace, from anywhere across the globe.

I welcome each one of you to our Campus, where the latest technology, pioneering teaching methodologies and quality education are blended to create unique learning experiences. It will help you to think critically, innovate successfully, and solve problems creatively. Congratulations on the start of a journey that will transform your career and enhance your life.

Wish you all a fulfilling and empowering journey ahead!

Comfort learning systems for effortless growth

Learning has undergone a sea of change and is still evolving. To keep abreast with the changing times and the tech-savvy millennial learners, DPU-COL has adopted the latest learning and training tools. Here, we use SWAYAM's (Study Webs of Active Learning for Young Aspiring Minds) Learning Management System (LMS).

What is LMS?

LMS integrates tools and cloud-based services. The features and tools of this Learning Management System improve the learning outcomes across the board. This is primarily due to the fact that it is one of the essential tools of e-learning on which all our online courses and training modules are built. It has enabled us to instantaneously and dexterously set up individualized

learning paths for each of our students. It gives us immediate and correct feedback. Automated nudges help us to keep students on track. It easily inspires learners and motivates them to take ownership of their own education. Learning Management System also helps to increase a learner's engagement by making it easy for students to connect with each other.

Feasible Features

-  **Data**
Retains and displays each learner's picture and profile.
-  **Teaching Aids**
Engaging courses with videos, virtual classrooms, game-based learning, awards and badging facilities.
-  **Interaction**
Enables class conversations and allows comments for specific relevant discussions which can be easily located for reference.
-  **Access**
Students can view the pre-recorded (asynchronous) lectures anytime from anywhere.
-  **Virtual Class**
Interactive classroom sessions to facilitate communication between students and course coordinators. Real-time attendance is recorded.
-  **Classroom Structure**
Students can raise a virtual hand to ask a question anytime from anywhere.
