~ Our Guiding Mantra

Founder Speaks

At Vivekananda Global University, we believe that education is the cornerstone of national progress. With this conviction, we have created an ecosystem that nurtures innovation, ethics, and excellence in every learner. Through our Online and Distance Education platforms, our aim is to ensure that no learner is left behind in the journey toward transformation. Education must empower, and at VGU, that power is now just a click away.

Dr. K.R. Bagaria

Ex-Member, RPSC.
Founder & Vice Chairperson, VGU

Dr. K. Ram, IPS (Retd.)

Chief Patron, VGU

Education is about building a meaningful life. With Online VGU, we ensure that the power of knowledge reaches even the remotest parts of our nation. We aim to empower minds and inspire futures, regardless of where our learners begin their journey.

Mr. M.R. Bagaria, RAS (Retd.)

Patron, VGU

In today's rapidly evolving world, the way we learn must evolve as well. Online education is a necessity that empowers individuals to take ownership of their growth, regardless of place or time. At VGU, we believe that true education is not confined to classrooms, but thrives where there is a will to grow.

Er. Onkar Bagaria

CEO & Trustee, VGU

The world is changing faster than ever—and so must education. Online VGU is our way of bringing global quality learning to every home worldwide. It's flexible, it's affordable, and most importantly, it's yours. The future belongs to those who dare to upgrade themselves—and we're here to support that dream.

Dr. Lalit K. Panwar, IAS (Retd.)

Chairperson, VGU

In a time when technology is transforming education, VGU leads with accessible, inclusive, and flexible online programs. I take pride in our commitment to shaping future-ready professionals through a student-centric, digital-first approach.

Er. Anil Bagaria

Dy director, VGU

At VGU, our mission is to create an ecosystem that nurtures creativity, critical thinking, and leadership preparing our students to become global change makers. With dedication to excellence and collaboration, we are shaping the future of society and turning the aspirations of our learners into achievements.

**Guided by
Vision,

LeadershipSpeaks

Prof. N. D. Mathur

President, VGU

At VGU, we are committed to academic excellence, innovation, and inclusion. Our online programs are designed with rigorous academic frameworks and practical relevance, ensuring that our learners receive nothing less than the best—wherever they are.

Prof. D.V.S. Bhagavanulu

Pro President, VGU

VGU is redefining the way education is delivered in today's fast-evolving world. At Online VGU, we are committed to fostering a dynamic learning environment that empowers students to excel and become leaders in their respective fields.

Dr. Praveen Choudhry

Registrar, VGU

VGU is proud to extend its legacy into the digital space through Online VGU. Our online programs are thoughtfully designed to maintain academic rigor while providing the accessibility and support required for success in today's fast-paced world.

“

Principles**

Dr. Arvind Kumar Singh

Director, CDOE, VGU

Education should meet learners where they are. Through Online VGU, we offer mentorship-led learning, interactive content, and industry-aligned courses to help learners thrive in both local and global landscapes. We welcome every aspirant to a space where quality meets convenience.

Deepak Bishnoi

Dy. Registrar, CDOE, VGU

Online VGU represents our vision of a learner-centric, technology-enabled education system. We understand the evolving needs of Learners and we are here to support them with responsive academic services, engaging content, and a user-friendly digital platform.

ABOUT VGU

**North India's Youngest and Fastest Growing
NAAC A+ Multidisciplinary University**

Established in 2012 under the Bagaria Education Trust in Jaipur, Rajasthan, Vivekananda Global University (VGU) delivers holistic education meeting global standards. Its 31-acre campus fosters innovation, research, and entrepreneurship, developing individuals with critical thinking and social responsibility.

Accredited with an A+ grade by NAAC, VGU offers over 60+ programs across 14 disciplines, including Engineering, Management, Law, Design, Agriculture, Commerce, Technology, and Allied Health Sciences. Recognized by UGC, AICTE, BCI, COA, and PCI, the university ensures quality education.

In October 2022, VGU launched the Centre for Distance and Online Education (CDOE), one of the pioneering centres in Rajasthan, offering UGC-Entitled Online Degrees and UGC-Approved Open & Distance Learning Degrees. Today, CDOE serves a community of over 10,000 learners worldwide, providing flexible and accessible education.

With a student body exceeding 20,000 across various modes and an alumni network of over 50,000 globally, VGU exemplifies a global university adapting to modern educational demands.

ABOUT CDOE

Democratizing Higher Education Through Flexibility, Affordability and Accessibility

The Centre for Distance and Online Education (CDOE) at Vivekananda Global University was established in October 2022 with a mission to democratize higher education through flexibility, technology, and quality.

As one of the pioneering centres in Rajasthan, offering UGC-Entitled Online Degrees and UGC-Approved Open & Distance Learning Degrees. CDOE is redefining access to education for learners across the globe.

Currently offering 09 UGC-Entitled Online Degree programs and 05 UGC-Approved Open and Distance Degree programs across high-demand domains such as Management, IT, Journalism, and Arts, CDOE integrates digital tools, live interactions, and learners-centric pedagogy to deliver a seamless and engaging academic experience.

Backed by the academic legacy of VGU, CDOE serves a vibrant and growing community of 10,000+ national and international learners, enabling them to pursue career-aligned education without geographical or economic limitations.

F. No.3-5/2022(DEB-III)

August, 2022

PUBLIC NOTICE

02 SEP 2022

Equivalence of degree obtained through ODL and Online mode with degree obtained through conventional mode

The Regulation 22 of the University Grants Commission (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020 stipulates as under;

"Equivalence of qualification acquired through Conventional or Open and Distance Learning and Online modes.- Degrees at undergraduate and postgraduate level in conformity with UGC notification on Specification of Degrees, 2014 and post graduate diplomas awarded through Open and Distance Learning mode and/or Online mode by Higher Educational Institutions, recognised by the Commission under these regulations, shall be treated as equivalent to the corresponding awards of the Degrees at undergraduate and postgraduate level and post graduate diplomas offered through conventional mode."

This is for information of the general public, students and other stakeholders.

(Rajnish Jain)

Online MBA

International Finance Integrated ACCA/CMA/FM

Online MBA in International Finance Integrated ACCA/CMA/FM offered by Online (VGU) is a forward-thinking, globally relevant program designed to prepare future finance leaders. Delivered 100% online through an advanced digital learning platform, this two-year program provides working professionals and aspiring finance specialists the flexibility to learn anytime, anywhere.

Accredited with NAAC A+ and entitled by UGC, Online VGU offers a globally aligned curriculum focused on international financial systems, strategic management, investment analysis, and risk management. The program is ideal for finance and commerce graduates, working professionals in the BFSI sector, entrepreneurs, and aspirants of global certifications like ACCA, or CMA.

MBA

in International Finance
Integrated **ACCA**

Incorporating the globally renowned ACCA (Association of Chartered Certified Accountants) qualification, the MBA in International Finance with integrated ACCA track offers learners a unique opportunity to earn a dual credential that significantly enhances global employability. ACCA is recognized in over 180 countries and opens pathways to careers in audit, taxation, international accounting, and global finance leadership.

This integrated pathway curriculum is strategically aligned with ACCA's syllabus, allowing learners to prepare for both qualifications simultaneously. With a strong focus on IFRS, corporate reporting, performance management, and financial strategy, this track prepares learners for high-impact roles in top-tier companies, including the Big 4 and global MNCs.

Graduates of this pathway often pursue careers as auditors, tax consultants, IFRS specialists, financial controllers, and global finance analysts, with the added advantage of international mobility and higher earning potential.

Global Career Outcomes:

ACCA (Association of Chartered Certified Accountants)

GLOBAL REACH & PRESTIGE

Recognized in 180+ countries and accounts for more than 257,000 members and 530,000 students worldwide

DIVERSE CAREER PATHWAYS

ACCA-qualified professionals frequently enter roles in audit, tax, financial reporting, management accounting, consulting, risk, and corporate finance

AMBITIOUS & MOBILE PROFESSIONALS

According to ACCA's 2025 Global Talent Trends Survey, 52% aspire to become entrepreneurs, and 62% expect a career move within two years—reflecting high mobility and adaptability

RAPID ADVANCEMENT & RECOGNITION

ACCA confers increased credibility and is highly sought by Big 4 firms and multinational corporations across audit, advisory, and finance leadership

MBA

in International Finance Integrated CMA

The CMA (Certified Management Accountant) track, integrated into the MBA in International Finance, is tailored for learners aiming to master financial planning, performance analytics, and strategic decision-making at a global level.

Learners gain expertise in financial analysis, cost control, budgeting, and business strategy—all vital for success in modern corporate finance environments. This pathway is especially beneficial for those seeking roles in management accounting, corporate planning, and performance measurement across sectors like manufacturing, consulting, IT, and finance.

Upon graduation, learners are well-positioned to become cost accountants, corporate finance managers, business analysts, and strategic finance advisors across the globe.

Global Career Outcomes:

CMA (Certified Management Accountant)

SALARY PREMIUM & VALUE

In the 2023 IMA global survey, CMAs earned a median total compensation of \$86,955 globally, which is approximately 21% more than non-CMAs

EXPONENTIAL GROWTH IN MID & SENIOR ROLES

CMA professionals in middle management earn 103% more, and in senior management roles, 91% more than non-CMAs. Top-level CMA holders report median compensation of around \$132,200, that is 76% above peers

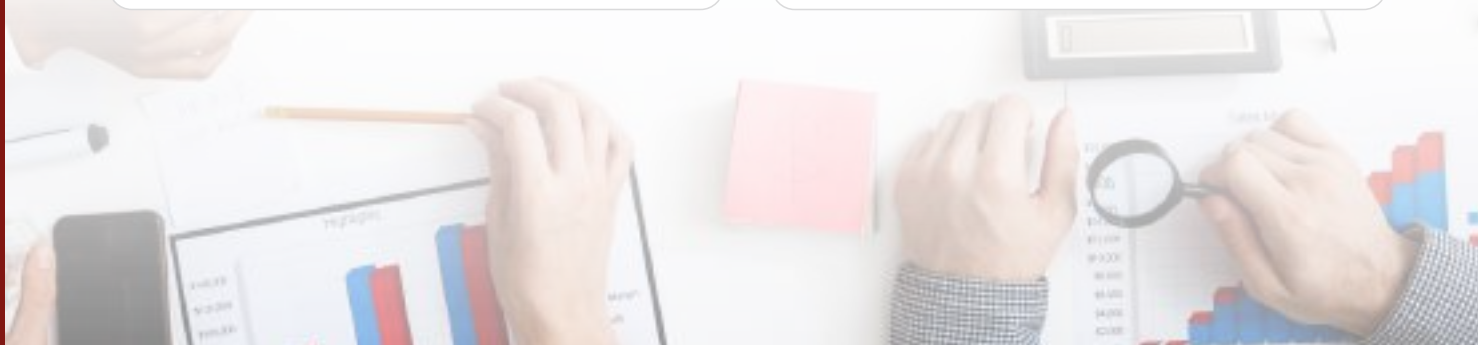

HIGH CAREER ADVANCEMENT & MOBILITY

Over 80% of finance professionals surveyed say CMA enables broader business roles, and 75% cited career advancement as their motivator

LEADERSHIP PIPELINE & STRATEGIC ROLE READINESS

CMAs are 72% more likely to hold CFO positions, and significantly more often serve as finance managers, directors, or controllers compared to non-certified peers

ASSESSMENT & EVALUATION

At Online VGU, the assessment process is designed to ensure academic integrity, learner convenience, and fair evaluation. Combining cutting-edge technology with learner-centric practices, our system supports continuous assessment and transparent examination outcomes. Aligned with the UGC's guidelines for online learning, we emphasize both knowledge acquisition and its real-world application. Our examination approach, enhanced by AI proctoring and expert support, gives learners the flexibility they need without compromising on quality or rigour.

Key Highlights of Our Examination & Evaluation Models :

30:70 Assessment Model

30% internal assessments and 70% end-term examinations for balanced evaluation.

Hybrid Virtual Proctored Examination System

Exams are monitored through a combination of on-campus human proctors and AI-enabled remote proctoring, ensuring exam integrity regardless of location.

Pre-Exam Preparation & Support

Mock exams, training sessions, and demo walkthroughs are conducted to familiarize learners with the examination environment.

Relative Grading System

Grading is based on a relative performance scale to ensure fairness across diverse learner groups.

Robust Multi-Stakeholder Support System

Dedicated assistance is provided before, during, and after exams by our tech support team, learner support team, examination and evaluation cell, live proctors etc.

Continuous Updates

Semester-long updates and coordination through course coordinators and academic teams keep learners well-informed.
